The young children of St John's consist of an energetic group of children ranging from the age of 3 to 12. This is what other communities would call Sunday School or Junior Church. We meet the first 3 Sunday's of the month whereby the children break into groups of 3 classes where the smaller ones ages 3 – 5 is in one class (Abegail Maupa) and 6 – 8 in one class (Malayna Matthew) and 9 – 12 in one class (Buyi Thwala). There are other individuals who come in every now and then to assist with the teaching of classes. The teachings are very interactive with the children and every now and then the children take readings and do activities in the main church service. The fourth and if there is five weeks in a month we join in church and be part of the 9am main service.
